BUSINESS INCENTIVE PROGRAMS

City of Belle Plaine, Iowa

Commercial Interior Grant Program

Thank you for your interest in the Belle Plaine Business Incentive **Commercial Interior** Grant Program. The City of Belle Plaine has set aside funding for the restoration or rehabilitation of interiors of commercial buildings. The grant, which helps pay for costs associated with approved interior renovations, covers a variety of interior improvements from the installation of permanent fixtures to the preservation of historic elements appropriate to the building's interior design, such as pressed metal ceilings.

Enclosed you will find a copy of the program overview, which lists eligible improvements and explains the application / review process, administrative procedures, details the information required with application, as well as the three-page grant application.

To become eligible for funding, please complete the application and return it and any proposed materials and design drawings, which must comply with the Design Guidelines to Belle Plaine City Hall at your earliest convenience.

Upon receipt of your application, we will invite you to meet with a city representative to discuss your project. Afterwards, this representative will supply recommendations to the City Council, which will make the final determination of grant approval.

Please contact Belle Plaine City Hall at 319-444-2200 with any questions.

Thank you.

Commercial Interior Grant Program

Overview

This is a grant program sponsored by the City of Belle Plaine to assist owners or renters to expand and/or remodel commercial interior space in the community's business districts. **Building/business owners may apply one (1) time for this program per individual building.** If approved, building/business owners can reapply for this program again for additional improvements no sooner than 12 months after the prior approved project has been completed. New owners are eligible to apply immediately.

Matching Grant Awards

The applicant pays two-thirds of the costs and the City pays one-third of costs associated with approved interior renovation. Maximum funding allowed is \$4,500 per application for the commercial interior grant program.

A city representative reviews and recommends all projects, which must comply with the Design Guidelines. The City Council gives final approval for all grants.

Program Requirements

- * Renters must have approval from building owner and hold a 3 year lease.
- * Renovation or expansion must comply with City Code requirements and with the Americans with Disabilities Act.
- * Business must present copies of related contracts and paid invoices for reimbursement of approved expenditures.

Design Assistance - No cost to applicant

- * Upon request, Iowa Economic Development Specialists can provide architectural drawings & suggestions to buildings in the downtown business district.

Commercial Interior - Max 1/3 of cost up to \$4,500

- * Repair work to floors, walls, interior trim, and ceilings
- * Upgrading/retrofitting mechanical systems (Electrical, plumbing, etc. above ground only)
- * Demolition work
- * Space reconfiguration
- * Installation of permanent fixtures (lights, ceiling fans, toilets)
- * Finishing work (i.e. painting, coverings for ceilings, walls, interior window trim, and floors)
- * Preservation of elements appropriate to the design of the interior (i.e. pressed metal ceilings, wood floor surfaces)
- * Replacement of outdated or non-working Heat and/or Air Units

Ineligible Improvements

- * Furnishings, fixtures, equipment or other personal property that does not become a permanent part of the building
- * Soft costs (i.e. building permits, space plans, professional fees)
- * Modifications or removal of unaltered architectural and historic features unless structurally needed
- * Work already commenced prior to the application (unless it was of an emergency nature)
- * Exterior modifications or improvements

Application and Review Process

- * The applicant submits the application to Belle Plaine City Hall.
- * A city representative will make a recommendation for or against the proposed project
- * The recommendation will be reviewed by the City Council, which will make a final decision on the application.
- * The City Administrator notifies the applicant of the Council's decision. If the grant was approved, the city administrator gives approval for work being funded by the grant to proceed.
- * After approval, the applicant has one year to complete the project. Upon satisfactory completion of the project, copies of all invoices, bids, affidavits and waivers of liens will be submitted to the City. If all of the requirements listed above are satisfied, the city clerk will issue a check in the amount of the grant.

Information Required with Application

- * Narrative description of scope of work to be performed and various public benefits to result from the grant.
- * Estimates of the rehabilitation costs.

The policies, procedures and incentives described above may be revised by the City at any time without prior notice. The City retains the exclusive right to change, add to, eliminate, or modify the requirements and the incentives at any time at its discretion, with or without notice.
